NOTES ON AGE ELIGIBILITY

The beginning date of a tournament determines the player's eligibility for that tournament. Juniors may play in an age division until the month they age out of that division. This means that players who are 8, 10, 12, 14, 16 or 18 years old may continue to play in their age divisions until the month they turn 9, 11, 13, 15, 17 or 19 respectively. The chart above determines eligibility.

SANCTIONED TOURNAMENTS

A. DEFINITION

1. Tournaments sanctioned in North Carolina shall be designated by the local Tournament Committee, as "closed" or "open" and entry eligibility within the age classification for any tournament, depending upon its designation, shall be as follows:
 - a. "Closed": Any person who is a resident of, and domiciled in, the State of North Carolina for at least thirty (30) days prior to the first day of the tournament and who during the current ranking year has not entered a closed tournament in any other USTA District (State) or any Section other than the Southern Section of USTA.
 - b. "Open": Any person without regard to residence or domicile.

REQUIREMENTS FOR ANNUAL YEAR-END RANKINGS

1. To qualify for an annual year-end ranking, a junior player must be a member of the North Carolina Tennis Association (a USTA member living in North Carolina) and fulfill the minimum ranking requirements. Appeals of tentative year-end rankings are solely to correct data input errors.

2. RANKING YEAR: The USTA NORTH CAROLINA JUNIOR RANKING YEAR for 2017 runs January 1, 2017 through December 31, 2017 for year-end final rankings.
3. Annual year-end final rankings will be published after the tournaments are completed at the end of the calendar year. Included in those rankings will be anyone age eligible at anytime during that ranking period and meeting the required minimum number of points and tournaments played.
4. The USTA NORTH CAROLINA annual year-end ranking lists will include results only from the age division being ranked, singles and doubles combined, and taking place during the applicable calendar year. **Ranked players must have earned a minimum of 18 ranking points in the age division being ranked.** And, must meet the following tournament requirements in singles play. 8 & under will not receive a ranking.
 - a. **Four (4)** NC tournaments of any level** OR
 - b. **One (1)** NC State Closed and **Two (2)** other NC tournaments of any level.**
 - c. **One (1)** National Championship (not including National Opens) plus a NC State Closed and **One(1)** other NC event of any level.** OR
 - d. **Two(2)** NC State Closed Championships and **One(1)** National Championship OR
 - e. **High School Tennis Varsity Letter** plus **Three (3)** other NC events of any level. Satisfactory completion of a High School Var Letter will be determined by the high school. Players must contact the USTA NORTH CAROLINA office by October 31st of the ranking year and the AD returns the form to the USTA NORTH CAROLINA office by December 1st to receive these credits. You can only use HS credit in one age division.**

OR

****NOTE:** The following tournaments do NOT count as a NC tournament: Icy Hot Southern L2, Zonals, Southern Closed, Southern Open, or other National events.

COMBINED RANKING/STANDINGS REGULATIONS

This ranking system will include results from singles matches and doubles matches in all tournaments that are now included in the calculation for the USTA North Carolina Standings list. The points earned in singles competition will be combined with the points earned in doubles competition to form one final point total that will be used for the USTA North Carolina Standings list and the USTA North Carolina year-end ranking list. Players will receive credit for 100% of their singles points from their best six (6) singles events along with 25% of their doubles points from their best six (6) doubles events. New for 2015, North Carolina changed standing points allocated to a player from 15% to 25% for all doubles matches. The USTA Southern Section made this change for 2015, and this puts North Carolina in line with the section. See the example chart below:

Best 6 singles tournaments=1500 points
 Best 6 doubles tournaments + 1200 points
 25% of 1200=300 points
 1500+300=1800

1. Each player's standings and year-end annual ranking will be based on his/her best **six (6)** tournament results in singles and doubles during the computation period. A player may access his/her player record [here](#). ***If a player does not record any wins in a tournament he/she will not receive any standing points.***
2. Bonus points are only attached to the singles event in which they are earned. If an event total (including both round points and bonus points) is not among a player's best six events, neither the event points nor the bonus points will count toward the player's standing or ranking point total. No bonus points are awarded for doubles.
3. Byes do not qualify as wins.
4. **Withdrawals, defaults, and walkovers qualify as wins for the advancing player and earn round points, but do not earn bonus points.**
5. USTA NORTH CAROLINA will publish on www.nctennis.com a Junior Standings List at least once per month. This list will be updated continually throughout the year and may be used by tournament directors for seeding information and by USTA NORTH CAROLINA selection committees for selection to teams and events. (Tournament Directors are encouraged to use the most recent update of the USTA NORTH CAROLINA Standings List available when the draw is made. The tournament retains the right to adjust if necessary in accordance with the NC seeding criteria.) The Junior Standings List will be computed for all age eligible players possessing a minimum of 6 points.

The USTA NORTH CAROLINA will not accept any phone calls about placement on the Junior Standings List. Questions and/or corrections should be made in writing to the USTA NORTH CAROLINA office or emailed to rankings@nctennis.com. Please include name and age division on all correspondence.

Corrections may not be reflected on player records until the next Junior Standings List is published. The Junior Standings List may not be appealed. 8 & under will not have a standings list.

6. Tiebreak rules for standings and annual year-end ranking lists:
 - a. Player whose best event has the highest number of points, second best, third best, etc. through six events.
 - b. Total bonus points earned in all events played during the computation period.
 - c. Highest single opponent bonus earned, second highest, third highest, etc.
 - d. Best random draw number.
7. The USTA NORTH CAROLINA Combined Standings list will include results in multiple age divisions in which the player is age eligible. Combined Standings will reflect the previous 12-months points in both the upper and lower age divisions. Lists will include all age eligible players having accumulated at least 6 NC points from the age division being ranked, as well as results from "playing up" multiple divisions, and taking place during the computation period. A player's standings value will be calculated on his/her best six single and six doubles tournament results during the computation period.
8. In standings lists only the results of players "playing up" multiple divisions will count. Points earned in an age division will be applied to a player's record in that division, as well as all younger division for which the player is eligible in both singles and doubles.

For example, if a 12s player plays a tournament in the 16's, the results will count in their 12s, 14s, and 16s standings (if those results are among their best 6). Bonus Points are determined by the age division in which the match is played, regardless of the Standing List the result is used in. The standings will still be computed from the six (6) best singles and doubles tournament point totals, regardless of age divisions from which the points were acquired. See chart below:

BG18: Results included only from 18's

BG16: Results included from 16's and 18's if eligible in both divisions

BG14: Results included from 14's, 16's, 18's if eligible in all three divisions

BG12: Results included from 12's, 14's, 16's, and 18's if eligible in all 4 divisions

BG10: Results included from 10's, 12's, 14's, 16's, and 18's if eligible in all five divisions

Friday play cannot begin before 5pm and is for doubles only. Singles play cannot begin until Saturday morning (exception are the few events in the summer that are sanctioned during the week).

How is the Criteria Determined for NC Level 3 and Level 4 Events?

In the Points Per Round Ranking System, tournaments will fall into categories, or Tiers, to determine the point values a player receives when playing in a particular tournament. Tier 1 consists of the Tar Heel Qualifier and the 2 State Closed. Tier 2 consists of all Southern L3's in NC Tier 5 will be for NC Futures tournaments. The remaining NC tournaments will fall in the Tiers 3 & 4 based on the criteria detailed below to determine relative strength.

As of 2018, the NC Tar Heel Qualifier will count as a Southern Level 2.

The first component in determining the strength value of a tournament is the average size of the draw. The size of the draw is given a point value based in Chart A. The average number of players in a draw is determined by the number of players entered into a tournament divided by the number of draws held.

The second component in determining the strength value is the quality of the players competing in the event. This is addressed in Chart B. For each highly ranked player (Top 50 in NC & Top 100 in USTA Southern Section), the tournament will be awarded a certain number of points. The player's ranking is based only on the age group in which he or she is playing. Therefore, when a player ranked #25 in the Boys 12's in NC plays in the Boys 14's (and is not ranked in the Top 50 in NC in the 14's), the tournament will not receive a point for him.

These two components will be added together. The value of the Tournament Director Point System (this point system is designed to give tournament directors points if they do not comply with NC Sanction and Schedule Rules) will then be subtracted from the previous two components to calculate a final tournament value. Depending on this value, the tournament will be determined either a Level 3 or Level 4.

Chart A	
Ave players per draw	Points Awarded
Number of players per draw times 2	

Chart B	
Ranked Players	Points Awarded
NC Ranked Players Top 50:	1 point per player
USTA Southern Section Ranked Players Top 100:	2 points per player

The top 15% of our regular tournaments (and ties) by final point value will be classified as Level 3 and all remaining tournaments as Level 4. A minimum of 12 events will be classified as Level 3, even if the top 15% guideline produces a smaller quantity of events. Additionally, a minimum of three events will be classified as Level 3 in each of the four geographic regions of NC (I, II, III, & IV as detailed in the Sanction & Schedule Rules for Sanctioned Tournaments), even if their point values are below the top 15% guideline.

SPECIAL JUNIOR TOURNAMENTS

There are certain types of tournaments held throughout the year that differ from a standard junior tournament.

A. TAR HEEL QUALIFIER TOURNAMENT

North Carolina is a state association of the Southern Section of the USTA. Each year, the Southern Section holds the Southern Closed Championships (June) for each age group Boy's and Girl's 10-18's. In order to qualify for the Southern Closed Championships (June) a N.C. junior must first play the TARHEEL QUALIFIER TOURNAMENT. The tournament format will be as follows:

1. **Singles draws will be limited to 64 with a feed-in consolation.**
2. **Selection will be based on a NC standings list run in mid-May 2017. The top 64 (age eligible) applicants will be selected.**
3. **Doubles draws will be limited to 32 teams & play an 8 game pro set.**
4. **Seeding: seed by the most up to date Southern Standings.**
5. A player may play in only **one (1)** age division.

6. Players must meet USTA NORTH CAROLINA, STA, and USTA residency requirements:
- a. Players must be domiciled in and a resident of the State of North Carolina for 30 days preceding the start of the Tar Heel Qualifier. In addition, they shall be citizens of the U.S., resident aliens in possession of a valid alien registration receipt card, or aliens who have resided in the United States continuously for more than one year and are members of the families of persons in the diplomatic or consular corps.
 - b. To make sure all competitors playing in the Tar Heel Qualifier are eligible to compete in the Southern Closed, and possibly the National Championships if chosen, the NCTA will require that all players must have a copy of a **Birth Certificate or Green Card** on file in the NCTA office for proof of citizenship before play begins in the Tar Heel Qualifier.* A player may submit the information by fax (336-852-7334), email (ioanna@nctennis.com) or regular mail. A list of those competitors who already have submitted their proof of residency to the STA office will not have to do so to the NCTA office. The list of NC competitors who have already fulfilled that requirement will be posted on the Tar Heel Qualifier website and www.nctennis.com, thus not having to do so again.
7. **Honor the Game Video:** At least one parent or guardian of a child who participates in North Carolina sanctioned tournaments is strongly encouraged to watch the sportsmanship video presentation. Viewing instructions are available [here](#).
8. Only the Waiver Committee may grant a waiver from the Tar Heel Qualifier. In all such cases, except for illness or injury as set forth below, a written request for consideration for waiver may be submitted one month prior to close of entries to the Tar Heel Qualifier. **A written request for consideration of a waiver other than injury must be submitted by/before the Tar Heel Qualifier entry/registration deadline.** A request does not guarantee that a waiver will be granted. At its sole discretion, the waiver committee may grant a waiver to any player presenting extraordinary conditions in support of a request for waiver. School conflicts or graduations are not considered extraordinary conditions.
- a. A waiver will not be granted to a player for play in any age group above his own. Example: A 14 year old may not play in the 16's and ask to be selected to the Southern Closed in the 14's. Selection must be in the age group in which one participates in the Tar Heel Qualifier.
 - b. Waivers for illness or injury will be considered for those who are forced to withdraw from the Tar Heel Qualifier due to illness or injury prior to the tournament. In all such cases, a request for waiver must be accompanied by a written medical document of disability, signed by a licensed physician. However, if such waiver is granted, this player will be selected to the Southern Jr. Closed Championships only if he/she is otherwise qualified and if the strength of the overall record legitimately ranks him/her within the selected group.

- c. A player ranked #1-16 in the nation in the 12s or #1-24 nationally in the 14s, 16s, or 18s may request a waiver from the Tar Heel Qualifier and still be selected to the Southern Closed Championships in his/her own age group to enter a tournament offering an undeniable developmental opportunity for the player. **This waiver must be requested 30 days prior to the THQ entry deadline.**

d. THE SOUTHERN JUNIOR CLOSED CHAMPIONSHIP

THE SOUTHERN JUNIOR CLOSED CHAMPIONSHIP (June) is the tournament that brings together the strongest players in each age group (BG 10-18) from each of the nine districts (states) in the Southern Section. In order to be selected from North Carolina, one must play in the [Tar Heel Qualifier](#) (May 26-29). For a NC player, entry into the Junior Southern Closed Tournament is made through the USTA NORTH CAROLINA Junior Selection Committee. Entry to the Southern Junior Closed Championship is done online [here](#) and through Tennislink. Each of the nine states in the Southern Section of USTA has a quota for entries and NC will select its strongest players. Selection to the Junior Southern Closed Tournament is based primarily on the most recent update of the USTA NORTH CAROLINA Standings List calculated with the results of the Tar Heel Qualifier included. The Junior Selection Committee retains the right to adjust if necessary. Juniors must play in the singles event of the Tar Heel Qualifier in the age group one wants to be considered for selection.

Applications for selection to the Southern Closed Championship in an age division other than the age division the player participated in (in the Tar Heel Qualifier) will not be considered. All players for selected must go onto www.southerntennis.com and enter through TennisLink prior to the listed Southern Closed entry deadline. You will not be selected by USTA NORTH CAROLINA if you have not entered the Southern Closed.

Because of the limited time between the end of the Tar Heel Qualifier and closing of entries into the Southern Closed, cooperation between all concerned will be appreciated. The following guidelines will help you and the NC Selectors complete the process more efficiently:

It is the player's responsibility to enter the tournament online through TennisLink at [USTA Southern](#) prior to the entry deadline.

1. The NC endorsement list will be posted at www.nctennis.com
2. The player should make reservations, such as motel, travel, etc. The player may cancel if not selected. It is better to be prepared.

TEAM NORTH CAROLINA

Team North Carolina is a comprehensive plan to attract players from the 10-18s and offer training opportunities throughout their junior tennis career in North Carolina. Team North Carolina will attempt to build a base of players in the younger age groups and make an impact on their competitive training in these formative years. It also endeavors to build loyalty to the program by mentoring to younger players by also participating in the younger age group camp, and playing to represent North Carolina in team events. Each level of the Team NC will be represented by a colored bag tag for players to display as they travel around the state to events. The hope is that this program will be a living, breathing program that will grow and change to continue to meet the needs of our junior player population.

Most players who have been considered in the past have a minimum standing of top 20 in North Carolina in their age division at the time of selection. The selection committee will look at a combination of state, southern, and national standings for selection into each camp and any other information available to them. Camps will have no more than 32 players total (boys and girls) in each camp.

12-14s & 14-18s Camps

Eligible participants must be willing to compete if selected in Southern Cup for North Carolina, and have 6 or less suspension points.

SOUTHERN JUNIOR CUP

WHAT IS THE SOUTHERN JUNIOR CUP?

Each fall the USTA SOUTHERN SECTION hosts the Southern Junior Cup for boys and girls at one central location. Each USTA Southern Section state sends a team composed of 6 participants, 3 girls and 3 boys, for each age division, 14s, 16s, and 18s. Each state competes against the other 8 states with each age division playing 3 singles and 2 doubles, one of which is mixed. The total team score is kept to determine a sectional winner. The USTA NORTH CAROLINA sends its state team with at least two coaches. A 12 and under team competition is held at a different time and place from the 14s-18s. Each of the nine states in the Southern Section sends 3 boys and 3 girls. Teams are not made by state rankings, but by the waterfall rankings from the USTA Southern Section. Each state selects one coach to participate.

HOW CAN I GET ON THAT TEAM?

The Junior Selection Committee has the authority to invite players (both 12-14s and 14s-18s teams) that will best represent North Carolina. Many factors, including attitude and sportsmanship, enter into the decision of the selection committee. *The committee will look at the most recent State, Southern, and National Standings for selections and any other information available to them. A strong emphasis is placed on high sectional/national standing. Players who attend the state camp will be considered for Southern Jr. Cup (*exceptions may be made in rare instances by the Selection Committee if deemed necessary but must be submitted in writing). Selections will be made at the end of the August by the North Carolina Selection Committee for both 12 & Under NC Southern Jr. Cup Team and 14-18 Southern Jr Cup Team. The Selection Committee reserves the right to move players to a different age division in order to field the strongest, most competitive Southern Cup team possible if the player in question is age eligible.*
