

# Carolina NTRP GRAND PRIX

Play for a Chance to Win Tickets to the US Open!  
Begins January 2012

## How to qualify for the US Open ticket drawing

1. Events that you may play to qualify are Men's/Women's 2.5- 4.5 singles & doubles.
2. Points from your 6 best tournaments in your division will count (must be in the same NTRP level). For adult ranking rules and tournament point values, visit [nctennis.com/files/pdf/Files/RankingRegsAdultSenior.pdf](http://nctennis.com/files/pdf/Files/RankingRegsAdultSenior.pdf)
3. Must play a minimum of 5 tournaments, including one NTRP State Closed Championship.  
Note: If you are unable to play a NTRP State Closed, you may play an Adult/Senior (age division) State Closed Championship (evens or odds) to qualify. Points will not count toward your NTRP ranking but the event will count as one of your 5 required tournaments.
4. Quick Play (one-day) tournaments count the same as other tournaments.
5. Play begins January 2012 and runs through November 2012.
6. The top 2 singles players & the top 2 doubles players in each level (who have met the eligibility requirements) will be eligible for the drawing. A player may be eligible in both singles & doubles.
7. Must be 21 years of age or older to participate.
8. NC Adult NTRP rules & regulations apply.

A drawing will be held Friday evening, January 25, 2013 at the USTA North Carolina Tennis appreciation party in Pinehurst at the Carolina Hotel. Qualifiers will be invited to a night of free fun, food & music. You do not need to be present to win. The Grand Prize is 2 tickets to the 2013 US Open (2 day or night sessions of an early round-to be determined) AND 2 airline tickets. Attendees at the party will be eligible for additional door prizes.
