PLEASE READ CAREFULLY!

HOW DO I ENTER THE SOUTHERN JUNIOR CLOSED?

- ❖ **Remember, you may only be selected to play in the Southern Closed Age group in which you play the Tar Heel Qualifier- and you may only enter one age group in singles in the Tar Heel Qualifier. Specific information on the individual tournaments is located on the second page of this document.**
- ❖ Go through the tournament registration process online. This is for singles only. For doubles entry check the tournament homepage for registration directions. Appropriate numbers and email addresses are on the following page to contact the tournament directors.
- ❖ You may only enter online with the above process. **JUNE 3rd** is the deadline to register. You may or may not be able to play. It could be that you would be put at the **BOTTOM OF THE SOUTHERN ALTERNATES LIST.**
- ❖ Your credit card will not be charged until you have been selected to the tournament.

How will the selections be done?

The quota spots and alternates will be selected and ordered by the USTA NC Junior Selection Committee. The selection committee will base the selections primarily on the most recent update of the NC Standings List calculated with the up to date results of the 2018 Tar Heel Qualifier. The selection committee retains the right to adjust if necessary. Juniors must play in the singles event in the Tar Heel Qualifier in the age group one wants to be considered for selection.

How will you find out if you are selected?

The NC selections will be posted in **TennisLink** under “**endorsement list**” in the ranking program by June 1st at 5pm. All applicants should check the individual tournament site for selections/alternates.

What if you are listed as an alternate for the BG 12's?

Once you have been chosen as alternate in the BG 12's you could be selected to the tournament if someone from the NC quota list is unable to go and notifies the tournament before the draw is made. Once the draw is made, Southern will order the alternates and ask alternates to fill in the draw based on that list as selected players are unable to come and notify the tournament. It is your responsibility to check. All applicants should check the individual tournament site for selections/alternates.

What if you are listed as an alternate for BG 14-18's?

Once you have been chosen as an alternate from NC, you are then put into the Southern list with the alternates from the other eight Southern states. The North Carolina Tennis Association is **not responsible** for which alternates are chosen to enter the main draw of the Southern Closed. To find out if you have been selected to play in the main draw of the Southern Closed, you may check on the appropriate Southern Junior Closed website (listed on following page).

Remember it is your responsibility to check- no one will call or email you.

There are 14 spots for alternates in each Southern Closed draw. These are there to allow for players who have a good Southern Standing, yet maybe not as good a state standing. The fourteen alternates are taken in before the draw has been made. After the draw has been made, the remaining alternates may continue to be called up if there are players who must withdraw prior to start of play. So if you are an alternate, keep watching your Southern Closed Tournament website.
