

Karli Hollins

Manager of Junior Play

Karli was born and raised in Buffalo, NY (Go Bills!) and relocated to Greensboro in 2021. As the daughter of a former Major League Baseball player, Karli grew up in an athletic household alongside two sisters who shared the love of tennis, and two baseball-devoted brothers.

Karli fell in love with tennis at a young age and went on to join an academy in Buffalo, along with junior team tennis. She began playing for her high school tennis team in 7th grade, and worked her way up to the number 1 singles and doubles position when finishing out her senior year at Orchard Park High School. Karli clinched an individual sectional championship along with two additional triumphs in doubles, securing her status as a three-time state tournament qualifier.

Embarking on her collegiate path at the State University of New York at Geneseo, Karli contributed to the Knights' conquest of a conference championship. She went on to play at Daemen college, where she held the number 1 singles and doubles position for the duration of her collegiate career. There, she accumulated a combined 57 singles and doubles victories and remains the all-time leader in singles winning percentage.

Post-graduation, Karli transitioned seamlessly into the realm of coaching, assuming a role at Miller Tennis Center for a span of 5 years. There, her instructional skill extended to both junior and adult players, complemented by her involvement in assistant coaching the Men's and Women's tennis teams at Daemen College. Additionally, she undertook the role of Girls Varsity Tennis Coach at Lancaster High School, further solidifying her commitment to developing talent within the realm of tennis.

Karli now resides in Greensboro NC alongside her tennis-loving fiancé. She joined USTA NC in May of 2024, as the Junior Tennis Program Manager, and looks forward to being a part of a team while continuing to spread the love of tennis throughout the community.
